## 1. Introduction

- 1.1. This policy is intended to clarify a student's contractual obligations regarding the payment of tuition fees to UK Business College (UKBC) following enrolment onto a course; it also sets out how the College considers and approves requests for refunds.
- 1.2. UKBC is a privately founded Higher Education provider and does not receive any financial support from local authorities or government agencies, except where specifically designated for student loans funding for qualifying courses. This policy will apply equally to students in receipt of tuition fee loans assistance as it does to students who pay their tuition fees from their own personal funds ('self-funded students') or whose fees are paid by a private sponsor, such as an employer or benefactor.
- 1.3. Enrolled students are ultimately liable for the payment of their tuition fees to UKBC, regardless of how their tuition fees are paid; UKBC's course advisors will ensure that prospective students are fully aware of this liability before any application to study is made.
- 1.4. The College will ensure that prospective students have access to accurate and reliable information about the collection of tuition fees, and the procedures and restrictions which apply to requesting refunds and compensation within their pre-application consultation.
- 1.5. UKBC will ensure that its procedures for collecting tuition fees, agreeing payment plans, as well as considering refunds requests are applied fairly and consistently.

## 2. Tuition Fees Policy

- 2.1. For each academic year, UKBC will publish and charge tuition fees for all its courses. All information and prices provided on the UKBC website, on enrolment forms and through other promotional channels are correct at the time of printing. Students will be verbally notified of fee levels by course advisors prior to enrolment.
- 2.2. Students whose tuition fees are paid in full by the Student Loans Company must provide their Tuition Fee Entitlement Letters from Student Loans Company (SLC) to the Finance Department before the start of their course. Students who do not provide a Tuition Fee Entitlement Letter to indicate their eligibility for a student loan from the SLC will be required to pay their tuition fees directly to UKBC before the start of the course.
- 2.3. Students who are funded by the Student Loans Company but whose tuition fee loan does not cover the full cost of tuition must provide the tuition fee entitlement letters from Student Loans Company to the Finance Department before the start of their course and pay the remainder of the tuition fees either in full before the start of their course or via an Instalment Plan agreed with the Finance Department.

- 2.4. If a sponsor or third party fails to pay some or all of the tuition fee on behalf of a student, the student will become personally liable for payment of the outstanding amount on the date which it was due from their sponsor or the third party.
- 2.5. All other students, either not eligible or not choosing to take out a loan through the SLC (i.e. students who are self-funded), should refer to Section 7; Payments.

### **3. Discounts**

- 3.1. Discretionary discounts may be offered to self-funded students who pay their year's fees in advance of the academic year start date. Information about discretionary discounts will be given upon enquiry.

### **4. Deposits and Reservation Fees**

- 4.1. Tuition Fees for each registration period (usually an academic year) are payable prior to the start of that registration period unless an Instalment Plan has been previously arranged. Where an Instalment Plan is agreed, supplementary charges may be applied.
- 4.2. Payments received via cheques or credit cards or drafts must clear before any application is processed.

### **5. Additional Fees**

- 5.1. Students will be required to pay £15.00 for any assessment resit except where their attendance is above 80%, in which case this fee is waived. Any urgent letters will cost £20.00 per letter and any duplicate will cost £5.00 per letter. Students applying for Health and Social Care or other courses subject to an Enhanced DBS Check will need to sign a separate DBS Checking agreement and pay the cost of carrying out the check as set out in that agreement (currently £50); students on courses of more than 1 year's duration will also need to subscribe to the DBS updating service for £13 per year (payable direct to the government) <https://www.gov.uk/dbs-update-service>

### **6. Repeat Study**

- 6.1. All students registering for a period of repeat study are liable to pay a tuition fee based on the number of modules being repeated, subject to approval by the Assessment board.

## 7. Payments

- 7.1. UKBC collects tuition fees in accordance with its annual fee schedule. Tuition fees are due at the start of each registration period.

- 7.2. UKBC accepts the range of payments outlined below:

- 7.3. UKBC also allows students to pay their fee liability in instalments. Payment Schedules or Instalment Plans are issued at the time of start of the course, or may at UKBC's sole discretion be offered on default of payment by a third party sponsor or the SLC. Please contact the Finance Officer for instalment arrangements and details of instalment dates.

- 7.4. Dishonoured cheques or drafts will result in a charge of £30.00 to cover administration costs and bank charges.

## 8. Sanctions for Non-payment of Fees

- 8.1. In cases of hardship, the student should discuss their situation with the Finance Officer who may be able to arrange flexible payment options, such as an instalment plan.

- 8.2. UKBC may also take any or all of the following steps if students fail to pay their Course Fees or any instalment of an agreed instalment plan:

- 8.3. UKBC reserves the right to refer students' unpaid accounts to external agencies to pursue payment and. The College may additionally seek recovery through the courts; in this instance procedural costs arising from the above will be borne by the debtor.
- 8.4. If a sponsor or third party, including the SLC fails to pay some or all of the tuition fee on behalf of a student, the student will become personally liable for payment of the outstanding amount on the date which it was due from their sponsor or the third party.

## 9. Refunds

- 9.1. When enrolling on a UKBC course, a student enters into a contract with the College. UKBC's contractual obligation is to deliver the higher education course as closely as reasonably possible to that described in its promotional information and pre-contract information. If a student cancels within this period they will be entitled to a refund of

any deposit/tuition fees paid and will not be bound by the College's Enrolment Terms & Conditions.

- 9.8. All refunds made after the 14-day cancellation period will be in accordance with Section 10 below, and will be made less any deferral/transfer fees and expenses reasonably incurred on the student's behalf by UKBC.
- 9.9. In circumstances where a refund of course fees is to be made in respect of a student, unless authorised otherwise, UKBC will normally pay the refund directly to the organization or individual who made the payment of the fee to UKBC.
