1. General

- 1.1. The objective of the Student Code of Conduct is to foster a College Community that supports students, faculty and staff in pursuing their educational goals in an environment that promotes concern for the well-being of others, collaborative learning and respect. This Code of Conduct intends to work with students and hearing participants to maintain a system that seeks to determine clarity through a transparent and consistent process that is in compliance with local, state, and federal regulations. The Conduct System, through the processes for responding to student conduct choices, promotes accountability, self- governance, respect, personal and institutional integrity and citizenship.
- 1.2 This Document is designed such that all the basic codes of conduct are discussed elaborately. Students are responsible for reading, understanding and abiding by the code.
- 1.3. Students in signing the UKBC Application/Registration Form agree that they will abide by the Student Code of Conduct.
- 1.4. The Code of Conduct applies to all the students enrolled in the College.

The Code applies to conduct that occurs on or near the premises of the College. It also applies to the conduct that occurs elsewhere if it is related to College sponsored programs or activities or if it occurs in the context of a relationship between the student and a third party that involves the student's standing, status or academic record at the College.

- 1.5. In those circumstances where behaviour arising from a diagnosed or suspected mental illness constitutes a breach of the Code of Conduct the Disciplinary Procedures will normally be applied if medical and counselling interventions have failed to satisfactorily address the problem behaviour or have been refused by the student. However, in applying the Disciplinary Procedure the Investigating Officer and/or Disciplinary Panel must have due regard to the Equality and Diversity Policy.
- 1.6. Where appropriate in all the circumstances, measures such as admonishment, counselling or mediation should be used to achieve the objectives of these Regulations and Procedures.
- 1.7. The UKBC Executive Committee may from time to time amend these Student Code of Conduct and Disciplinary Procedures or replace them entirely. Any changes effected shall be deemed to have immediate effect.
- 1.8. The Principal and Quality Unit will ensure that the Student Code of Conduct and Disciplinary Procedures are reviewed regularly and recommend such changes as are necessary.
- 1.9. It is the Student's responsibility to make themselves aware of UKBC policies.
- 1.10. A copy of the UKBC Policies are available from the UKBC Connect.
- 1.11. Students will be given information when they enrol about how to access the full range of College policies, rules and regulations.

2. Code of Conduct

2. General Standards of Behaviour

The college considers the behaviour described in the following sections as inappropriate for the UKBC community and in opposition to the core values set forth at the beginning of this document. UKBC encourages community members to report to College officials all incidents that involve any misconduct described below.

- 2.1. All students are expected to behave in a responsible manner showing courtesy, respect and consideration towards other people at all times. All students are therefore expected to:
 - a. Respect all individuals, whether faculty, administrative staff, maintenance personnel, other students and more generally, any individual on the premises of the College.

- 2.2. Students shall comply with all policies issued by the College and with any reasonable instructions given any authorised member of its staff.
- 2.3. Students shall avoid discriminatory conduct on grounds such as gender, sexuality, race, ability, social and cultural background, age or political conviction.
- 2.4. Students shall not endanger or potentially endanger the safety or health of others.
- 2.5. Students shall respect the property rights of others including students, staff, affiliates, volunteers and visitors whilst on College premises.
- 2.6. Students shall not engage in conduct which may objectively be considered as harassment or bullying, vilifying or abusive.
- 2.7. Students shall not engage in fraudulent or corrupt behaviour, including the impersonation of another person or the use of forged, false, falsified or incomplete evidence of academic standing or immigration status or any other relevant matter in order to gain or maintain admission.
- 2.8. Students shall not forge, alter or misuse or attempt to so treat any College documents, records or identification cards.
- 2.9. Students shall always provide genuine documents including confirmation of academic qualifications, medical status etc. to the College. Where doubt exists, the College retains the right to obtain clarification from the awarding body, surgery etc.
- 2.10. Students shall not misappropriate, damage, deface and/or destruct facility or property of College or the property of others.

- 2.11. Students shall pay all debts and charges due and payable (including fines) to the College at the required time.
- 2.12. Students shall not make vexatious complaints under the Student Complaints procedure.

3. Use of Buildings, Grounds and Equipment

- 3.1. Students shall not remove or deface or damage any equipment or property belonging to or under the control of the College.
- 3.2. Students shall not intentionally or recklessly interfere with or misuse any equipment provided in the interests of health and safety.
- 3.3. Students shall not behave in a careless or negligent manner that leads to the activating of a fire or smoke alarm.
- 3.4. Students shall not drop litter. They shall not eat or drink in areas designated as unauthorised areas or smoke in any areas other than those designated as authorised smoking areas.
- 3.5. Students shall not make unauthorised entry to any part of the College, including any study bedroom occupied under licence or tenancy agreement by another student.
- 3.6. Students shall not make unauthorised use of the College telephone system.
- 3.7. Students bringing a motor vehicle or motor cycle onto College grounds shall observe all road signs and speed restrictions, shall not cause an obstruction, shall park only on designated areas and shall drive with due care and attention. Students shall not park motor vehicles on any Campus unless so authorised.
- 3.8. Students using bicycles in College grounds shall do so in a careful and responsible manner, comply with all official notices and not ride in a manner that creates a hazard for pedestrians. In particular, bicycles shall not be left where they will obstruct access or exit.
- 3.9. Students shall switch off mobile telephones and pagers when they are in any teaching environment.

4. Disciplinary Procedure

If there are allegations that a breach or breaches have occurred, the following procedures shall apply:

- 4.1 The person making out the allegation that a student or students have breached the Student Code of Conduct will arrange for the documents in relation to that allegation to be passed as soon as possible to Registry, who will appoint the Investigating Officer.

- 4.2 The Investigating Officer shall be appointed by the Registrar at their complete discretion, but should normally be the manager of the relevant Office of the College, e.g. Head of Security for disorder breaches, Head of IT for computer misuse, Head of Admissions/Assistant Registrar for documentary issues.
- 4.3 The Investigating Officer shall carry out a preliminary review of the documents making out the allegation as soon as possible.
- 4.4 The Investigating Officer shall either:
- Immediately carry out an investigation or
 - In cases where the evidence already available clearly warrants it, proceed directly to a disciplinary Panel hearing in accordance with paragraph 6.
- 4.5 If the Investigating Officer believes that the student(s) should be suspended whilst the procedure is carried out, the Investigating Officer shall make such a recommendation to the Registrar or his/her nominee and the provisions of paragraph 9.1 – 9.2 shall apply.

5. The Initial Investigation

5.1 The purpose of the Initial Investigation is to determine:

- whether any breach(es) of the Student Code of Conduct have been committed; and
- whether such a breach is major or minor taking into account any aggravating or mitigating factors in the surrounding circumstances, including any past penalties imposed on the student(s).

5.2 The Investigating Officer shall gather information regarding the incident or allegation. The ultimate responsibility for informing the student and managing the investigation lies with the Investigating Officer. The investigation may include interviewing the student.

5.4 The investigation should normally be resolved within 20 working days of the incident. At the conclusion of the investigation, the Investigating Officer may:

- a) dismiss the allegation(s) and notify the Registrar that they have been dismissed; or
- b) having determined that a breach(es) may have occurred, notify the Registrar in a report, enclosing all evidence relied on, and identifying whether a Minor or Major Breach is alleged, and request access to the student's file from the Registry Office to ascertain whether there have been any prior penalties imposed which are relevant to the allegations. The Registrar shall then notify the student of the decision by letter or email within 5 working days,

5.5 Where the Investigating Officer decides to interview the student, the Investigating Officer should make a decision as to a) and b) at the interview.

5.6 Where the Investigating Officer decides to interview a student, he must give at least 5 working days' notice to the Student by letter/email containing:-

- a) a summary of the allegation made against the students;
- b) a statement of the student's right to be accompanied by a friend or Student Union representative.
- c) a statement of the student's right to see the documents relied on (where possible copies should be enclosed), and the student's right to ask questions to clarify the allegations and facts being alleged.

5.6 The notice of the Investigating Officer's decision under paragraph 5.4. b) shall invite the student to send any evidence to the Investigating Officer that they wish to be considered in mitigation of the seriousness of the offence. The student may submit mitigating evidence up to 5 working days from the date of the notice.

5.7 If the Investigating Officer determines under paragraph 5.4 b) that the breach(es) constitute a minor breach(es) then he or she shall impose one or more of the penalties as set out in paragraph 8.1 and notify the student 10 working days of the student's response, considering the evidence of the student's past conduct provided under paragraph 5.4 b) and any mitigation provided by the student under paragraph 5.6.

5.8 If the Investigating Officer determines under paragraph 5.4 b) that the breach(es) may constitute a major breach(es) or that due to the repetition of a minor breach this now constitutes a major breach then the Registrar shall refer the matter to the Disciplinary Panel in accordance with paragraph 6 within 10 working days of the decision.

6. The Panel Hearing

6.1 If the Investigating Officer decides that a hearing should be held, he/she will notify the Registrar or his/her nominee and the Registrar will make arrangements for the Panel hearing.

6.2 The Registrar or his/her nominee has responsibility for ensuring that the student is notified in writing at least 10 working days before a hearing takes place. That letter/email shall include and confirm:

- a) a statement of the allegation(s) to be considered and the purpose of the hearing;
- b) details of the date, time and place of the hearing;
- c) copies of any evidence/documents to be considered in connection with the allegation;
- d) that the student may bring a written statement of their perception of the events to the hearing and should submit any evidence on which this wish to rely no later than 5 working days before the hearing date;

e) a statement of the student's right to be accompanied by a friend or Student Union representative. However, under no circumstances may the student be represented by an external organisation or have professional legal representation.

6.3 The Panel shall normally consist of the Investigating Officer, the student's Personal Tutor (where this is different from the Investigating Officer), and the Principal (as the Chair of the Panel).

6.5 Procedures if a student does not respond or attend:

6.5.1 Should a student notify the Registrar in advance of the hearing that he/she is unable to attend the hearing on the scheduled date, and has provided a satisfactory reason for their non-attendance; the Registrar will consider whether in all the circumstances the hearing should be rescheduled. However, only one further attempt to reschedule the hearing in order to enable the student's attendance will be made.

6.5.2 If the student does not attend the hearing and does not communicate with the Investigating Officer any reason for their non-attendance, the Chair of the hearing will normally proceed in the absence of the student.

6.5.3 Where the hearing is to be re-convened, the Investigating Officer has responsibility for ensuring that the student is notified again.

7. Decision of the Panel and imposition of penalties

7.1 Once the Panel has reached its decision (which shall be delivered by the Chair of the Panel, after consultation with other members of the Panel), where the allegation against the student has been upheld and the application of penalties is to be considered, the Chair of the Panel will convene immediately a second meeting to determine the penalties to be applied.

7.2 A short summary of the student's current academic position which has been obtained from the Registry Office will be made available to the Panel at this stage. In arriving at a decision on disciplinary penalties to be applied, the Panel will take account of any previous penalties on record and shall impose the penalties on an individual basis.

7.3 The Chair of the Panel will sign the written record of the decision of the Panel concerning any penalties to be applied. The record will be kept by Registry Office and a copy will be placed on the student's file.

7.4 Where appropriate, a report will be made to the appropriate Assessment/Progression Board. The Chair of the Assessment/Progression Board is responsible for ensuring that any academic penalty determined by the Investigating Officer or by the Chair of the Panel is implemented by the Assessment/Progression Board.

7.5 The Registrar or his/her nominee has responsibility for notification of the outcome of any hearing to all relevant parties within 5 working days of the decision.

8. Penalties for breaches of the Student Code of Conduct

Minor breaches

8.1 The penalties (in any combination) that may be imposed in relation to proven minor breaches are as follows:

8.1.1 A first written warning of the possible consequences of further misconduct. A record of the warning will remain on the student's file indefinitely;

8.1.2 Repair by the student to the property or equipment damaged or reasonable compensation to be payable;

8.1.3 Removal or restriction of facilities;

8.1.4 Requirement of an apology in the appropriate manner to any person;

8.2 Any of the sanctions under 8.1.3 – 5 above may be suspended (for up to 12 months) or made conditional (e.g. on complying with the requirement for an apology under 8.1.3, or compensating the victim in full under 8.1.2). Use of abusive language against staff will automatically receive a first written warning.

8.3 The following is a non-exhaustive list of likely minor breaches:-

8.3.1 Negligently or recklessly causing damage to property;

8.3.2 Breaches of paragraphs 2.3, 2.5, and 3.3 – 3.9 (including 3.5 other than in cases of attempted or actual criminality e.g. theft, burglary, harassment, or stalking) of the Code of Conduct;

8.3.3 Students exhibiting behaviour, or engaging in any activity, whether within the College premises or elsewhere which is likely to damage the good name of the College. In particular, a minor breach will be deemed to have occurred in the event of drunken, disorderly, abusive, obstructive, destructive or other behaviour by a student where the said behaviour causes a nuisance ('Disorder').

Major Breaches

8.4 Where the procedures described in paragraph 7 have been completed in relation to proven major breaches, the Chair of the Panel may, in addition to the penalties set out at 8.1 above:

8.4.1 Suspend the student either for a specified period of time, or until specified conditions have been met;

8.4.2 Give a Final Written Warning (following which any subsequent minor or major breach will lead to exclusion);

8.4.3 Exclude the student.

8.5 A non-exhaustive list of Major Breaches of the Code of Conduct are:

- 8.5.1 Three or more incidents of Disorder, or incidents of Disorder leading to a criminal conviction (including a Police Caution);
- 8.5.2 Serious criminal offences (i.e. indictable only, or either-way offences serious enough to warrant immediate custodial penalty) or custodial sentence for a criminal offence;
- 8.5.3 Falsifying, or submitting false, documents;
- 8.5.4 Intimidating witnesses or otherwise interfering with this or any other UKBC disciplinary or appeal/complaints procedure;
- 8.5.5 Failure to comply with conditions of a conditional penalty imposed under this Procedure;
- 8.5.6 Failure to comply with a penalty imposed for a minor breach e.g. to apologise or compensate the victim;
- 8.5.7 Minor breaches that are part of a repeated or systematic course of conduct, or are aggravated by violence or discrimination/harassment/bullying, or are covered by UKBC's Zero-Tolerance Policy for discrimination/harassment/bullying, or threats of violence against staff, students or visitors.

9. Procedures Regarding Suspension or Exclusion

- 9.1 The decision to exclude or suspend a student from the College will include the exclusion from all College activities including studying at or with the College and also the use of any College premises and/or facilities.

Suspension

- 9.2 A student may be suspended from the College during investigation of an alleged offence if it is deemed that such suspension is in the best interests of the College, its staff or students, or of the student(s) concerned, or is necessary to ensure an effective investigation. A student will always be suspended where the alleged breach is covered by UKBC's ZeroTolerance Policy against abusive language or threats of violence made towards its staff, even where the breach alleged is otherwise a Minor Breach.
- 9.3 Serious breaches of Student Code of Conduct will most likely result in immediate suspension from the College until the matter has been fully investigated. A serious breach resulting in suspension must be confirmed in writing within 2 working days.

Disciplinary Exclusions

- 9.4 Following the procedure specified at paragraphs 4 – 9 above, the Disciplinary Panel may decide on an appropriate course of action that may include immediate exclusion from the College. If exclusion is enacted students will receive a Termination of Registration Letter, informing them that they have been excluded from UKBC.
- 9.5 A non-exhaustive list of Major Breaches of the Code of Conduct that may justify expulsion are:

9.5.1 Students committing a serious criminal offence within the premises of the College or elsewhere;

9.5.2 Students keeping or using any offensive weapons, or any object that is deemed to be an offensive weapon, even if properly licensed, on College property.

9.5.3 Students repeatedly exhibiting drunken, disorderly, abusive, obstructive, destructive or other behaviour by a student where the said behaviour causes a nuisance as per 8.3.3.

Tuition Fee Exclusions

9.7 If students do not satisfy the College's tuition fee payment criteria, by paying their fees in full or making approved arrangements either prior registering on to their course, or by the due date on their instalment plan, they will be excluded from UKBC.

9.8 The Exclusion Process will be initiated by a Suspension Letter being issued and it will result in immediate:

- Suspension of students on Student Records System (SMS)
- Communication to all staff that non-compliant students are no longer allowed to attend classes at UKBC
- Suspension of College services such as IT and Library facilities

9.9 Note: assessments arising on deadlines that coincide with the suspension period cannot be marked and examinations cannot be attended. Students cannot submit Mitigating Circumstances forms for assessments missed whilst they are suspended.

9.10 If financial settlement is made promptly after the date of suspension, the student's 'Suspended' status will be restored to 'Active' and all services re-instated. Students will receive a Re-Instatement of Status email notification.

9.11 Otherwise, the student will be excluded. If exclusion is enacted students will receive a Termination of Registration Letter/email, informing them that they have been excluded from UKBC.

Personal Identification Exclusion

9.12 Proof of identification is a prerequisite for registering at UKBC. However if a student is inadvertently registered using invalid personal identification or without producing identification and the requested evidence is not supplied within 10 working days of the Termination of Registration Notification, this will result in exclusion from UKBC.

Non-Attendance or Non-Engagement in Studies Exclusions

9.13 If the Assessment Board considers that a student is not complying with the Academic Regulations in respect of submitting work for assessments or with the Attendance Policy in respect of satisfactory attendance at classes, the College may initiate the Exclusion process, whereby a student is sent a Termination of Registration Letter/email.

Re-enrolments

- 9.14 Exclusion means that an individual will cease to be a student of UKBC (and of any validating university). Re-entry to the College will not be permitted.
- 9.15 UKBC will seek settlement of any tuition fee debt up to the exclusion date. Tuition fees may be reduced in-line with our tuition fee policy to reflect the period of time an individual was registered as a student.

10. Other Procedures

Criminal Offences

10.1 The following procedures shall apply where the alleged misconduct would also constitute an offence under the criminal law if proved in a court of law.

- (a) Where the offence under the criminal law has been dealt with by way of a caution or 'on the spot' fine, or where the maximum penalty does not include imprisonment, action under this Policy may continue, but such action will normally be deferred while the matter is under active police investigation or where charges have been brought but not yet brought to court.
- (b) In the case of all other offences under criminal law, no action (other than suspension or exclusion) will normally be taken under this Policy unless the matter has been reported to the police and either prosecuted or a decision not to prosecute has been taken.
- (c) Only in exceptional circumstances shall the College report an alleged crime to the police contrary to the wishes of the victim. If the victim will not report the crime to the police, or will not co-operate with their inquiries, the College's internal disciplinary procedures should not be invoked.
- (d) Where the College continues with its own hearing following a court conviction, the College shall accept the conviction as conclusive proof that the breach was committed, and the penalty imposed by the court shall be taken into consideration by the College in deciding its own penalty.
- (e) Proceedings under this Procedure are separate from and additional to the criminal law. A Student is not exempt from this Procedure simply because they have been convicted of a criminal offence arising out of the same set of facts and no defence of double jeopardy can be claimed.

Licensed Premises

10.2 Where an alleged incident takes place on licensed premises (whether on College premises or elsewhere) that incident may give rise to both proceedings under these regulations and exclusion, barring or suspension of access to the licensed premises by the licensee in accordance with the general law.

10.3 Proceedings under this Procedure are separate from and additional to any decision of a licensee regarding exclusion, barring or suspension of access to licensed premises. A student is not exempt from these regulations simply because of a licensee's decision based on the same set of facts and no defence of double jeopardy can be claimed.

10.4 No decision under these regulations may overrule, reverse or amend any decision of a licensee regarding licensed premises.

Fitness to Practise and professional or regulatory requirements

10.5 Where allegations are made against a student on a professionally accredited course or are members of a professional body, the College may:

- (a) Notify the relevant body of the matter; and/or
- (b) Take separate action (in addition to any action under this Procedure) under its Fitness to Practise Policy. The College may use any evidence compiled pursuant to this Procedure in any Fitness to Practise proceedings.

Prevent and Safeguarding

10.6 Where allegations of misconduct relate to mistreatment or abuse of vulnerable persons in breach of the Safeguarding Vulnerable Persons policy, the misconduct will always be considered a Major Breach, and the Designated Safeguarding Officer for the relevant campus shall be invited to attend the Disciplinary Panel. Where appropriate the Brent or London Children Safeguarding Board may be informed and consulted.

10.7 Where allegations of misconduct indicate a risk that the student is being drawn into extremism or radicalised, the misconduct will always be treated as a Major Breach, and the SPOC (if this differs from the Principal/CEO) will be invited to attend the Disciplinary Panel. Where appropriate, a Channel referral may be made, and/or the Police informed.

11. Student Right to Review of Disciplinary Decisions

11.1 The student has a right to request a review of the decision of the Investigating Officer or the Panel in accordance with this Procedure.

11.2 A request for review of a decision by the Investigating Officer or of a Panel must be made in writing (by letter or email) stating in full the grounds for the review and must be submitted within 10 working days of the receipt of the notice of the decision by letter or email.

11.3 Where it has been agreed that a review should be made, the review of the decision should take place as soon as practicable, and in any case within 10 working days of the request for Review.

Grounds for Review

11.4 Requests for a Review of a decision of the Investigating Officer or Disciplinary Panel will only be considered on the following grounds:

- (a) the penalties were unreasonably severe given the circumstances of the case;

- (b) the findings of fact in support of the decision were manifestly perverse and/or there is clear third-party corroborated evidence of bias;
- (c) that the hearing/interview was not conducted in accordance with the procedures set out in paragraphs 6 or 7;
- (d) new evidence which was not available to the Investigating Officer or Panel when it reached its decision and the student had good cause for not including the evidence in their case.

11.5 The student should address their letter or email to the Registrar and the burden of proof is on the student to demonstrate the reason for the Review. The Registrar may reject any request for review which is not submitted within the time limit set out in paragraph 11.2 or does not demonstrate one or more of the grounds specified in paragraph 11.4. If the request for review is rejected the student will be informed within 5 working days of their letter to the Registrar.

11.6 Procedure for a Review of a decision of the Investigating Officer or the Panel:

11.6.1 Once the Registrar (or his/her nominee) has notified the student that their request for review is valid under paragraphs 11.2 and 11.4 of this Procedure, the Registry Office will pass the documents to a second Investigating Officer who was not involved in the initial decision (for example the Head of Legal Services, or the Assistant Registrar), who will investigate the basis for the review, taking into account any additional information that has come to light since the interview, and will refer the decision for review within 10 working days in accordance with the following procedures:

- (a) Review of a decision by the Investigating Officer will be referred to the Principal, decisions of the Panel will be referred to the CEO.
- (b) The Principal or CEO may decide the review on the papers submitted, or arrange a hearing date which is convenient to all parties.
- (c) Where a hearing date is set, the Investigating Officer shall write to notify the student at least five working days before the Review Hearing is due to take place.

11.7 Following the completion of the investigation, the Principal or CEO may decide:

- to approve the Investigating Officer/Panel's decision; or
- to order the Chair of the Panel or the Investigating Officer to reconsider his/her decision.

11.8 The Review decision by the Principal or CEO will be final.

12. Procedures following Review

12.1 Where on Review the decision has been overturned in part and the variation of penalties is to be considered, the Principal/CEO will make written recommendations to the Investigating Officer/Panel as to the penalties to be imposed.

12.2 In all cases, the Principal/CEO will sign the written record giving details of the Review decision and the reasons for it. This shall state that it will be circulated in the event of any further proceedings. Where a hearing was convened, the student, the student's representative and the Principal/CEO as appropriate, shall sign the record. This record and details of any relevant arrangements in relation to the penalty imposed shall be sent to the student, their representative, the Investigating Officer and the Registrar by letter or email.

12.3 Where the decision is confirmed or upheld in part, a copy of the letter/email and the record will be placed on the student's file until the student has completed their studies.

12.4 Where the decision has been overturned in full, the record of the original allegation will be removed from the student's file and sent to the Registry Office.

The OIA

12.7 Except where the OIA scheme does not apply under paragraph 12.10 below, UKBC will issue a Completion of Procedures Letter for purposes of the OIA Scheme within 28 days of the decision of the Appeal Panel, or of the Registrar to reject the appeal under paragraph 11.5.

12.8 After receipt of a Completion of Procedures Letter students on higher education courses (HND level or above) may complain to the Office of the Independent Adjudicator (OIA). Guidance on the circumstances in which complaints can be made to the OIA is available here:

<https://www.oiahe.org.uk/making-a-complaint-to-the-oia/can-the-oia-look-at-my-complaint-complaints-wizard.aspx>

12.9 A complaint to the OIA must be made within 12 months of the date of the Completion of Procedures Letter, and should be made on their complaints form <http://oiahe.org.uk/making-a-complaint-to-the-oia/oia-complaint-form.aspx>

12.10 Students on further education courses (e.g. HNC courses) that are not publicly funded cannot appeal to the Office of the Independent Adjudicator (OIA). Other than in fully evidenced exceptional circumstances complaints cannot be made to OIA until our full complaints process is exhausted.
